

The 11th EUSTAS Stevia Symposium
“New natural sweeteners”
February, 7-8, 2019
at the University of Bordeaux

- Call for papers -

The Scientific Committee will invite academic, experts and industrials to present their latest results and innovations in the field of Stevia and other low calorie and natural sweeteners.

Oral presentations and posters are appreciated as well. All abstracts will be submitted to a Scientific Committee.

Abstracts have to be sent as a word file only (no PDF or other formats accepted) to the following address: info@eustas.org.

Please indicate whether you want to submit an oral presentation or a poster.

We thank you for your support by sending this information to other people who might be interested.

If you have any questions, please do not hesitate to ask, we will promptly answer.

Please send in your abstract ASAP

Timeline:

- On October 2nd 2018 we started the “Call for papers”
- Start of registration: end of October
- Early bird registration: until end of December
